Accessing the Library Databases from Home

What you will need:
- A computer, smartphone, or tablet with access to the internet
- A library activated QCC ID

1: Go to the library homepage http://qcc.libguides.com/libraryhome

2: Choose either “Databases by Subject” or “Databases by Title (A-Z)” from the “Articles & Databases” dropdown menu.

3: Choose the database you would like to search. For this example, we will use Academic Search Complete.
4: You will be asked to enter your 14 digit library barcode number. This number will be located either at the bottom of your ID or the back of your ID.

5: Once you have entered your barcode number, click “Login”.
